

## Curriculum vitae Europass

### Personal information

Name / Surname **STAȘAC CLAUDIA OLIMPIA**  
Address(es) Oradea - Bihor, Romania  
Phone -  
Fax 0259408228  
E-mail claudiastasac@yahoo.com

### Work experience

Period	01.04. 2007- present
Occupation or position held	<b>Senior Lecturer Ph.D.</b>
Main activities and responsibilities	Courses and practical laboratory and project work;
Name and address of employer	University of Oradea, Faculty of Electrical Engineering and Information Technology
Type of activity or sector of activity	Degree subjects: Electrical equipment, Electrotechnical materials, Electrical technologies, Power quality; research/publication activities.
Period	01.10.2003-2007
Occupation or position held	<b>Doctoral assistant</b>
Main activities and responsibilities	Course and practical work; research/publication, completion of the doctoral thesis
Name and address of employer	University of Oradea, Faculty of Electrical Engineering and Information Technology
Type of activity or sector of activity	Degree subjects: Electrical equipment, Electrotechnical materials, Electrical technologies, Electrothermia; research/publication activities.

### Education and training

Period	May 2015 - present
The qualification / degree obtained	Legitimation Authorized Electrician
The main subjects studied / professional skills acquired	Grade IIA, IIB
Name and type of educational institution / training provider	National Energy Regulatory Authority
Level in national or international classification	Professional refresher course

Period	28.10. 2022
The qualification / degree obtained	Grant Director
The main subjects studied / professional skills acquired	Funding contract for the grant competition
Name and type of educational institution / training provider	Scientific research of excellence related to priority fields with capitalization through technological transfer - INO-Transfer -UO-Edition II
Level in national or international classification	Advanced Scientific Research Mode
Period	October - May 2013
The qualification / degree obtained	member
The main subjects studied / professional skills acquired	POSDRU/87/1.3/S/60891 with the title "University school for initial and continuous training of teaching staff and trainers in the field of technical and engineering specializations - DidaTec",
Name and type of educational institution / training provider	Technical University, Cluj Napoca
Level in national or international classification	Professional skills attestation certificate
Period	2010-1013
The qualification / degree obtained	Target group member
The main subjects studied / professional skills acquired	POSDRU ID 56287 with the title - Postdoctoral programs in the vanguard of excellence research in Information Society Technologies and the development of innovative products and processes"
Name and type of educational institution / training provider	University of Oradea
Level in national or international classification	Advanced Scientific Research Mode
Period	2001-2008
The qualification / degree obtained	Phd
The main subjects studied / professional skills acquired	PhD in Electrical Engineering
Name and type of educational institution / training provider	University of Oradea, Faculty of Electrical Engineering and Information Technology
Level in national or international classification	Higher education
Period	October 2001-July 2003
The qualification / degree obtained	Master degree
The main subjects studied / professional skills acquired	Modeling, Simulation and CAD Techniques
Name and type of educational institution / training provider	University of Oradea, Faculty of Electrical Engineering and Information Technology
Level in national or international classification	Higher education
Period	October 1999- July 2000
The qualification / degree obtained	Advanced studies
The main subjects studied / professional skills acquired	Electromagnetic compatibility and energy quality in electrotechnics
Name and type of educational institution / training provider	University of Oradea, Faculty of Electrical Engineering and Information Technology
Level in national or international classification	Higher education

Period 2000-2003  
 The qualification / degree obtained **Engineer** - Geothermal Research Center  
 The main subjects studied / professional skills acquired Geothermal energy training programs  
 Name and type of educational institution / training provider University of Oradea  
 Level in national or international classification Higher education

Period October 1994- July 1999  
 The qualification / degree obtained Engineer degree  
 The main subjects studied / professional skills acquired Electromechanics  
 Name and type of educational institution / training provider Oradea University  
 Level in national or international classification Higher education

Period June 1993  
 The qualification / degree obtained **Baccalaureate**  
 The main subjects studied / professional skills acquired Electromechanics  
 Name and type of educational institution / training provider "Mihai Viteazul" School Group, Zalău  
 Level in national or international classification Secondary education

### Personal skills
