Personal information

First name(s) / Surname(s) **SEBEȘAN RADU DIMITRIE**

Address(es)

Telephone(s)

Fax(es) -

E-mail

Nationality Romanian

Date of birth

Gender Male

Desired employment / Occupational field

**Oradea University
education**

Work experience

Dates 2004-present

Occupation or position held lecturer

Main activities and responsibilities Education

Name and address of employer University of Oradea, University Street, No.1

Type of business or sector Teacher at the Department: Electrical Engineering
2000-2004

University assistant
Education

University of Oradea, University Street, No.1

Teacher at the Department: Electrical Engineering, measurements and use of electricity

1998-2000

Engineer

Education

University of Oradea, University Street, No.1

Engineer in the "Microwave" Scientific Research Team

1997-1998

Analyst

Education

University of Oradea, University Street, No.1

Laboratory at the Department: Electrical Engineering, measurements and use of electricity

Education and training

Dates 2000-2007- Doctoral studies

Title of qualification awarded | Doctor's degree

Principal subjects/occupational skills covered | Domain: Electrical engineering

Name and type of organisation providing education and training | University of Oradea

Level in national or international classification | Doctor

2003-2004
Postgraduate courses
Psycho-pedagogical and methodical
Oradea University
Department for Teacher Training and Development

1997-1998
In-depth studies
Modern technologies using equipment in the field of inductive heating and microwaves
Oradea University
Faculty of Electrical Engineering and Informatics

1992-1997
Diploma: Electromechanical Engineer
Domain: Electromechanics
Oradea University
Faculty of Electrical Engineering and Informatics

1982-1986
High school diploma
Domain: Mechanic
Ind. High School from Oradea

Personal skills and competences

Mother tongue(s) | **Romanian**

Other language(s) | **English**

Social skills and competences | Communication skills. We have acquired these skills in the activities carried out in technical higher education and in the research and development activities that we have carried out so far.

Organisational skills and competences | Team spirit by the nature of the activities carried out I was always in the middle of a team, the organizational capacity allowed me to integrate without problems. I was personally involved, as far as possible, in most of the actions taken at the department level and even at the faculty level when appropriate

Technical skills and competences | - Modern technologies using equipment in the field of inductive heating and microwaves
- Calculation of the electromagnetic field by analytical and numerical methods

Computer skills and competences | Using software: Word, Excel, AutoCAD, Cadence, HFSS, Electronics Workbench

Artistic skills and competences | -

Other skills and competences | -

Driving licence	Driving license cat.B
Additional information	Mainly the didactic activity took place in courses and laboratories carried out with the students of the Faculty of Electrical Engineering and Information Technology. We have developed and published a series of teaching materials, the most important of which are: <ul style="list-style-type: none"> -Technical drawing and computer aided graphics - Technical drawing in electrical engineering practical course -Microwave technologies Laboratory guide - Computer aided graphics
