

ORAR

semestrul II an universitar 2025-2026

| ZIUA     | ORA   | DISCIPLINA                                                                        |                                        | SALA  | CADRU DIDACTIC               |
|----------|-------|-----------------------------------------------------------------------------------|----------------------------------------|-------|------------------------------|
|          |       | subgrupa A                                                                        | subgrupa B                             |       |                              |
| LUNI     | 8-10  | Matematici speciale (S)                                                           |                                        | C108  | Iambor Loredana              |
|          | 10-12 |                                                                                   |                                        |       |                              |
|          | 12-14 | Materiale pentru electronică (C)                                                  |                                        | E104  | Conf dr ing. Castrase Simona |
|          | 14-15 |                                                                                   |                                        |       |                              |
|          | 15-17 | Mat. pt. electronică (L) (s.para)                                                 | Mat. pt. electronică (L)(s.impara)     | B212  | Conf. Castrase S.            |
|          | 17-19 |                                                                                   |                                        |       |                              |
|          | 19-21 |                                                                                   |                                        |       |                              |
| MARTI    | 8-10  | Programarea calculatoarelor si limbaje de programare II (C)                       |                                        | E106  | Prof.dr. ing.Curila S.       |
|          | 10-12 |                                                                                   |                                        |       |                              |
|          | 12-14 | Engleza (S) (s.impara)                                                            |                                        | A201  | Abrudan Simona               |
|          | 14-15 |                                                                                   |                                        |       |                              |
|          | 15-17 | Tehnologie electronica (C)                                                        |                                        | E106  | Conf.dr. Moldovan Liviu      |
|          | 17-19 | Tehn. Electronica (L) (s.para)                                                    | Tehn. Electronica (L) (s.impara)       | L205  | Conf.dr. Moldovan Liviu      |
|          | 19-21 |                                                                                   |                                        |       |                              |
| MIERCURI | 8-10  | Matematici speciale (C)                                                           |                                        | C109  | Fechete Dorina               |
|          | 10-12 | Bazele electrotehnicii I (C)                                                      |                                        | A201  | S. I. dr ing. Arion M.       |
|          | 12-14 | Dispozitive electronice (C)                                                       |                                        | E106  | S.I. dr. ing. Burca A.       |
|          | 14-15 | Bazele electrotehnicii (S)                                                        |                                        | A201  | S. I. dr ing. Arion M.       |
|          | 15-17 |                                                                                   |                                        |       |                              |
|          | 17-19 |                                                                                   |                                        |       |                              |
|          | 19-21 |                                                                                   |                                        |       |                              |
| JOI      | 8-10  | Bazele electrot.(L) (s.impara)                                                    | Bazele electrot.(L) (s.para)           | A207  | drd. Covaciu M.              |
|          | 10-12 | Disp. Electron. (L) (s.impara)                                                    | Disp. Electron. (L) (s.para)           | T206  | S.I. dr. ing. Burca A        |
|          | 12-14 | Progr.calc.limb.progr. II (L)                                                     |                                        | V214C | Prof.dr. ing.Curila S.       |
|          | 14-15 |                                                                                   |                                        |       |                              |
|          | 15-17 |                                                                                   |                                        |       |                              |
